>> **Scott "Chris" Koenig II**

(current as of 30 January, 2022)

Hi - I'm Chris, a junior-year Computer Science major at CSU who's always excited to create wonderful things through code. I'm a natural programmer with experience in C++ and Java, with a particular talent for quickly learning new systems / languages. I have a history of coding in my free time to make mods for my favorite online games, and am currently doing contract work to create UI graphics for an upcoming video game.

Aside from that, I also create digital art, volunteer at my local church, and have two years of experience working in the front-of-house section at Chick-fil-A - coordinating with a team of others in a customer-facing role.

Academics:

- Current Study: **Computer Science - Bachelor of Science**
- Current GPA: **3.7236**
- Pre-college ACT Score: **34**

Work:

- Contract work in **digital art** for game UI (ongoing)
- Freelance **programming work** for online clients
- Team member at Chick-fil-A, James Island for **2 years**
